WINE LIST

John Gilroy (1898-1985) was a superb natural draughtsman and a versatile illustrator and artist who produced advertising material, portraits, landscapes, murals and greeting cards. John made a name for himself most famously in and around 1930 advertising for Guinness. The association with our wonderful hotel was due to his friendship with Major Morrilt. In 1946 he painted the mural that adorns the walls of the bar. It is thought the images of the people, although Dickensian in theme, paid close resemblance to customers and staff at the time.
