5 miles Map ref O/S Pathfinder 599 (NZ 01/11)

The Morritt - Brignall Village, Meeting of the Waters Circular

Turn right out of the hotel & just before the bridge cross the stile to take you along the banks of the River Greta, then by a field side & descent back to the river.

A little over a mile along your route, through a wall opening, your path is to the right signed Brignall village. (A short detour straight ahead takes you to the ruined Church of St Mary's). The path ascends from the river to join a grassy path past the vicarage & on to Brignall Church. A right turn will take you back down the road to the hotel. To continue on the walk, turn left & right along the drive of 'Brookside'. The path goes through a gate & to the left of the farm building.

Follow the yellow markers along the edge of 2 fields & left to cross 2 streams running through a wooded dell. Walk straight across the next field to enter woodland & cross another stream. Exit woodland & follow field boundary to A66, cross with care, then continue through the churchyard & cross a stile keeping the fence to your left. The path then meets the main road by a stream. Cross the road & follow the stream, turning right to join the Teesdale Way. After emerging onto a private road, turn left to complete the walk – see last paragraph of 'Rokeby Park Circular' walk.
